

AIR QUALITY PERMIT NOTICE

Draft Title V Operating Permit
Martek Biosciences Corporation
KYEIS I.D. # 21-049-00032
Application Log # G102

Martek Biosciences Corporation of 555 Rolling Hills Lane, Winchester, Kentucky has applied to the Kentucky Division for Air Quality for a permit to operate a DHA/ARA triglyceride oil production facility at 555 Rolling Hills Lane, Winchester, Kentucky. The plant is classified as a Title V major source due to its emissions of regulated pollutants and hazardous air pollutants.

Copies of the division's draft permit and supporting information are available for inspection by the public during normal business hours at the following locations:

Division for Air Quality, 803 Schenkel Lane, Frankfort, KY 40601
Division for Air Quality Frankfort Regional Office, 643 Teton Trail, Frankfort, KY
and the Clark County Clerk's office, Courthouse, 34 S. Main Street, Winchester, KY

The division is soliciting comments on the draft permit and affording the opportunity for a public hearing. To be considered, any written comments or requests for a public hearing must be postmarked within 30 days following the date of this notice. Comments and/or public hearing requests should be sent to Ms. Pat Haight at 803 Schenkel Lane, Frankfort, KY 40601. Any person who requests a public hearing must state the issues to be raised at the hearing. If the division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Ms. Pat Haight at (502) 573-3382.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aides and services necessary to afford individuals an equal opportunity to participate in all programs and activities. Materials will be provided in alternate format upon request.
